	30		
	31		
	32		
	33		

Following delivery of a good ball, put P in the good ball space if the batter gives a penalty. These will be counted at the end of the innings. If a player is OUT without scoring, put OUT in the space. Both are good balls. If a batter scores from a bad ball, it counts as good, so put her score in the next box.

	Plus	Bad balls
